

# Write Effective Business Documents -1 day

## Pre-requisites

There are no pre-requisites for this course.

## Description

Do you need to:

- Develop powerful written documents that draw readers in and keep them motivated to continue to the end?

We all know that writing is one of the most important methods of business communication for most people, whether its e-mails, proposals, or major reports. Lots of people struggle with the construction of these. Sometimes it's because they don't have to do it very often so therefore it doesn't flow as easily as they would like, sometimes because they are new to a role.

By course completion, participants will explore all stages of professional writing, from planning through to development of the first draft, writing, reviewing and presenting.

## Aim

The aim of this course is to assist participants to develop the skills and knowledge required to plan, draft and write structured, clear and concise business documents.

## Learning Outcomes
